Check-In and Day of Packet Pickup:

Check-in and packet pickup will be located in Celebration Plaza (by the park's Visitor's Center). Please note, there is no packet pickup prior to the event.

- Please go to the Packet Pickup & Check-in tables located on the lawn in Celebration Plaza (see site map below). Packet pickup will begin at 7:00 AM for the Kids 1 Mile run and at 7:30 AM for the 5K. Baby Crawl Packets can be picked up anytime. If you're doing the 5K and you have children doing the mile, you can pickup all the packets at once.
- Race day packets will include a chip for timing. These chips will be located on your running bib. **It is extremely important that you wear the bib assigned to you to ensure accurate timing results.**

Parents:

- If your child is 12 years of age or younger on event day, he or she will have emergency contact information electronically attached to their running bib. This information will include: Their name, their parent's name or other emergency contact name and emergency contact phone number. Your child's safety is our number one priority; therefore, the running bib must be worn by all children 12 and under throughout the entire event.
- *By participating in this event and/or allowing your child to participate, you understand and agree that your child's photo may be taken, by our staff, park staff, or any member of the media, for promotional purposes including all marketing outlets such as social media, email, billboard advertising, television commercials, etc., or as news coverage for the event. This includes still photos and videos. This is further outlined in the event waiver.*

After-Party:

- The most important part of this after-party is of course ice cream! Make sure you don't throw away your runner's bib before you get ice cream. Each bib will have a removable strip at the bottom for your ice cream. Kindly provide this to the volunteer at the ice cream tent for your postrace ice cream award.
- There will be soft serve ice cream available and snow cones. Each participant can choose either.
- We'll have several activities for families on this day. We'll have face painting, cornhole, frisbees, music, etc.
